- you can increase this hexagon size by continuing the above pattern.
- make enough hexagons for your project.
- leave enough yarn and cut. weave in the ends.
- join hexagons using whip stitch.

### Whip Stitch:

- (Make sure the wrong side is facing up)
- Attach yarn in one corner.
- Pull the entire length all the way through and at the end make a knot.
- join 2 hexagons and using yarn needle insert in front loops of both the hexagon
- At last weave in the excess yarn

Voila!!! Your carpet is ready !!!
